Year 6 have been rehearsing like crazy and we look forward to welcoming parents & carers to our show on either **Wednesday 17<sup>th</sup> July at 6pm** or **Thursday 18<sup>th</sup> July at 1:30pm**.

The show is expected to last approximately 90 minutes. Please arrive via the main entrance 10-15 minutes prior to the start time. The PTA team will be selling raffle tickets and refreshments will be available for a small cash donation.

This is a free event where children can enjoy a disco, bouncy castle, refreshments, candy floss and photo booth with their friends and a great way to celebrate their time together at Lingey House Primary.

In order to prepare for the event, it is possible for children to be collected or walk home at 1:30pm, get ready then return to school at 3:30pm. This will allow children to change clothes and staff to prepare the event. If this arrangement does not work for some families, it is also possible for children to remain at school and get ready here. Children are to be collected from the **main entrance**.

Please return permission slips to school by Monday 15<sup>th</sup> July.

## Smoking & Vaping

## Parking

Please can all Parents/Carers ensure that at school pickup and drop off times that they behave respectfully towards residents and other parents, parking and park responsibly. **Article 24: We all have the right to information which keeps us safe and healthy.**

## **Parental Consents -Arbor**

All Parental Consents are now managed electronically via our school app or Arbor website, Arbor. All consent types have been requested for each child, could all Parents/Carers please ensure these are completed as soon as possible.

## **Bikes/Scooters in School**

We have noticed particularly that on drop off and collection, children and siblings are riding their bikes in the EYFS garden. For health and safety reasons, we request that you stop all children from doing this.

## **Activities and Trips**

In the new academic year all trips and activities will be bookable through Arbor. This is to aid reducing our printing and paper costings and make better use of our systems.

## Relax Kids

Hi Everyone,

I'm Tracey, and I provide Relax Kids classes to Lingey House. I'm so happy to be returning in September to start my 5<sup>th</sup> full year at school! This year I've been mainly working with KS1 children, with a small group from years 4 and 5 in the summer. In our classes we follow the seven steps in the picture to teach children techniques that help them feel more confident, calm and happy!

We've done some exploring around the world, story time sessions and learned about our brains. KS2 made some calm jars in our last session. If anyone would like to know more, please

follow my Facebook page <https://www.facebook.com/relaxkidstyneside> or come and see me at Larkspur House Family Fun Day at Larkspur House, Beacon Lough Estate, Gateshead NE9 6SS on Sat 10<sup>th</sup> August 12-3pm. I'd love to see some familiar faces!

Wishing you all a very peaceful summer!

Tracey

## Important Welly Update

Its nearly the summer holidays!

That means it's time to clear out those welly sheds.

**The way the clean-up will work is as follows:**

- **Keeping wellies** - If any children want to keep their wellies and use them again next year, can they be advised to bring them home.
- **No longer want the wellies** – For those that no longer want their wellies, obviously feel free to take them home, however we are always on the hunt for more wellies to flesh out our wet weather cloakroom so **we would love you to consider donating your wellies!**
- **Welly Donations** - Simply advise your child to leave them in the welly shed and we will sort them.

Between now and next **Wednesday (17/07/24)** teachers will be tasked with taking their classes to the welly shed to clear their shed out prior to a new class moving in next academic year. **So please instruct your child on what to do!**

Thank you.

## OPAL Update

Two big changes this week!

First of all, the big yellow bus is now a big white bus.!

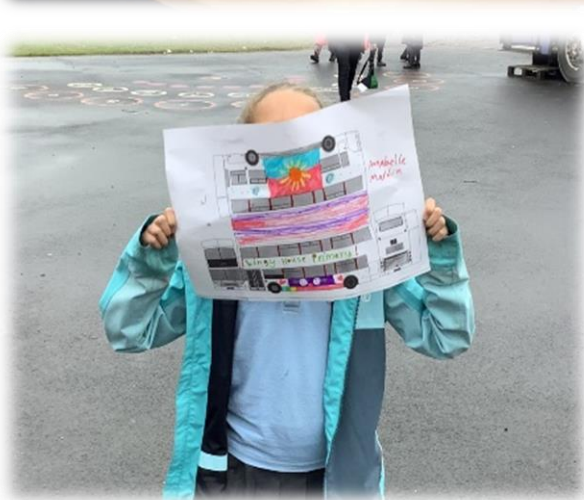

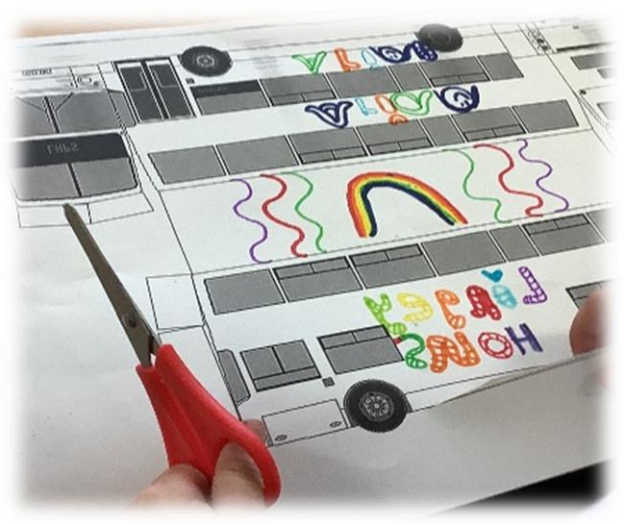

Over the summer holidays Lee, from CustomArtwerk (who painted all the fantastic murals on the lodge), is going to be coming in to spruce up the bus and he needs a blank canvas to paint on!

Thankfully we had two local companies who kindly volunteered to help us out. Massive shoutout to both Bagnalls and AkzoNobel international paints they have both been absolutely instrumental in the bus renovation process, donating both their time and money towards supplying, fixing and painting the bus exterior.

Now we want to make sure the bus looks its best, and just like our playtimes, we want the design process to be directed by the children. So up until the end of term our children will be designing their very own double decker buses in the lodge and any amazing ideas/designs that they come up with will be put forward to be painted onto our double decker.

Take a look, the children are already hard at work...

## Reception Play Day

Last week we hosted an opal play day for our reception children and their parents/guardians.

First of all, thank you to everyone who attended, the turnout was incredible! We hope it provided you all with an excellent insight into what opal is and how your children play.

It may have been a little more relaxed than a usual playtime, due to their only being reception children, but that allowed our reception children time to explore everywhere freely.

We have to add a tiny disclaimer to the bottom of this week's newsletter entry just to mention that the children won't usually come home that wet so don't worry! The octopus sprinklers will only come out on special occasions or if there is a prime opportunity to soak the parents...

We appreciate you were all thrown into the deep end and just left to play, so if you would like any further information on our opal playtimes just ask, we are happy to answer any questions!

Two amazing volunteers from the club came into school with the trophy to talk about Gateshead's fantastic penalty victory over Solihull Moors at Wembley stadium last month. All of our children in Years 1 – 6 loved being able to get up close to the trophy and hear about the fantastic result. We also want to send our huge congratulations to everyone at Gateshead FC for their fantastic season!

## E-scooters, EAPCs, E-bikes, and Motorcycles

Information for parents & carers

Road safety law is there to protect riders and other road users. In the event of a collision, the physical consequences can be devastating, life-changing and can ultimately result in the loss of life. Make sure that when your children ride on the roads they are doing so legally and safely with protective equipment such as helmets. Visit [THINK! Road safety](#) and [Road safety - Police.uk](#) for more information.

### What does the law say?

#### E-scooters

NOT ROAD LEGAL for ANYONE to use

It is illegal for ANYONE to ride a private e-scooter on public land – roads, pavements and cycle paths included. In law, they are treated as motor vehicles and, because they have no number plate, often don't have rear lights or signalling ability, **they cannot be used legally in public.**

[Read more here](#) about penalties and offences.

#### EAPC (electrically-assisted pedal cycle)

ROAD LEGAL for those aged 14 and over. Helmet use is advised but optional

An EAPC must have pedals meaning that the bike can be used with or without the motor, and the fitted motor must cut off at a top speed of 15.5 mph (the speed of an average pedal cyclist)

[Read more here](#) and [here](#)

#### Electronically powered motorcycle – "E-bike"

Whether or not these are road legal depends on certain conditions (see below)

To be road legal an E-bike must have :

- A number plate
- Brake lights
- Indicators

An E-bike without these is NOT ROAD LEGAL.

Also, the rider is subject to the same licence requirements as those for a moped/scooter/motorcycle (see column to the right), and they must have insurance.

#### Mopeds, scooters and motorcycles

ROAD LEGAL for those aged 16 and over with a motorcycle licence. Helmet use is mandatory

A provisional driving licence is required and compulsory basic training (CBT) must be completed. The age limit will depend on the type of motorcycle – [visit this link for details](#)

What's the difference between a moped and a scooter? Basically, it's all about engine size, but [read more about it here](#)

### Why are rented e-scooters road-legal?

- Renters must have at least a provisional driving licence which has [category Q or P/M entitlement](#)
- The rental company provides insurance for the rider as part of the rental agreement
- They must be ridden in approved areas and only on the road

### E-scooter schemes in the Northumbria Police area:

There is an e-scooter rental scheme available in Newcastle. Find out more here: [Neuron Mobility e-scooter hire in Newcastle upon Tyne](#)

Read the following article for tips on how to [protect your motorcycle, moped or scooter from theft](#)
